

sprawling Bhimtal

Named after the famous solitary rock which is typical of the Kumaon belt, Monolith Resorts manifests the inexplicable charm of Bhimtal (Uttaranchal, India) .The Resort is located just above the lake giving a breathtaking view of the entire town. Monolith resorts has been uniquely designed to amalgamate the verdurous mystery of nature and the ingenuity of modern architecture.

The entire Resorts is built with traditional Kumaoni stone giving it the look of an old Himalayan village with all its gracious splendour.While Monolith Resorts mixes well with its surroundings, the comforts of a luxurious contemporary resort is the order of the day. The Resort is replete with everything from eateries to car parks and from compact rooms to independent cottages.

Accommodation/facilities

The resort consists of thirteen cottages. The resort is surrounded by flower gardens and apple orchards, from where, on a clear day, you can enjoy stunning views of the Bhimta Lake in the distance. Other facilities include conference/club room for indoor sessions, swimming pool, amphitheatre, Library, Fireplace.

zice outbound

zice | outbound aims at giving a rejuvenated and a fun filled holidaying experience. The elements that we resourcefully use include various activities like camel rides, tractor rides, wild life spotting, rock climbing, rafting, night treks etc. and other experiences like village interaction, star gazing, ice breakers, bon-fire ... depending on the various locations that the holiday seeker looks at.
