

Fifty kilometres from Nainital perched on Mukteshwar ridge, surrounded by apple and peach orchards – this hundred year old British cottage - offers a perfect getaway for couples.

100 mtr walk away form the road head , along the aisle of lush greenery on either side – you reach the 100 yr old house.

Maintaining the legacy of its age – the cottage is well spread out with 3 rooms , a huge lounge , lawn facing Himalayan view ,kitchen and library.

experience...

Bar-be-que/bonfire : Enjoy the evening bar- be – que followed by bonfire to relax with your favorite gazals or favorite song playing in your back ground....

a book and the tree shade –

take a book, stroll into the library or relax at hammock , choose a cozy tree shade and get immersed in the world of words. but remember, don't go far away, you may forget your way back.

Write - the peace and tranquility at cottage can get your thoughts rolling. between husband and wife, between parents and children, between friends, you can well try haiku. be it prose or poetry, there is no age limit to start and none to end it either.
