

**corporACT™ :: OUTBOUND TRAINING :: Success Follows**

---

## Introduction

**corporACT™**, the outbound training company, aims to provide tangible and sustainable positive changes in the work culture and leadership of organizations. Since the company's foundation in 2003, **corporACT™** has become India's Premier Outbound Training House in the Research, Development and creation of outbound training content and modules. **corporACT** is supported by Zice Holidays, an established travel services firm.

Primary objective is to trigger the participants to come up with solutions that can be implemented back in corporate and work life. Presented through a specially designed mix of activities.

Participant Organizations have gained immensely from our outbound modules. The success is a combination of many things including our commitment to independent and ongoing research, high delivery standards, reputed panel of trainers and our relentless pursuit of excellence.

We're getting better every day. We think about and work towards increasing the participating ORGANIZATION'S PROFITABILITY.

# CREATING STRONG TEAM LINKS

## Outcomes

Probable Structure for a 03 Day Outbound Team Building Program, with following outcomes.

- Creating Sensitive Leaders
- Experiencing Leadership Competencies
- Effective Teambuilding

## Action Proposed

Participants would be challenged by environment that is new to them, but where the tasks to be completed have substantial parallels to those faced at work.

The designs have a combination of indoor and outdoor sessions where the participants would be sensitized to the issues of team management, communication and role-play.

### Key Activities Proposed

**Pathfinder | Rock climbing | Team Doctor | Dog in the Manger | Team Trek | Drama & Theater | White Water Rafting**

Icebreakers: Relevant icebreakers would be inter-spread between the activities to ignite the trigger.

The teams have to complete these activities. Entire team participation is must. These are specially designed to show the importance of working as a team when a team solution is required.
