

### The Residence

Nestled in the Doon Valley on the banks of the Tons River is Shaheen Bagh, the country home of an avid ornithologist and a graphic designer. This private estate in the hills is now open to select visitors who desire a getaway in the midst of nature. The house, with an adjoining cottage, is located on a 7-acre estate verdant with fruit orchards, many species of exotic and rare plants and trees. The landscaped gardens, spread across five levels, are a visual delight with their watercourses, lily pools and picturesque pathways.

## Accommodation

### (Main House)

The house and cottage are designed in the style of a colonial country bungalow with sloping roofs, decorative 'monkey tops' and wide verandahs from where one can enjoy spectacular vistas of Mussoorie and the surrounding hills.

### (About Rooms)

A single bedroom cottage with attached sitting room, verandah and bath, and 4 bedrooms in the main house. All the rooms have attached baths, running hot and cold water, and are equipped with modern amenities. A formal sitting and dining room are available to the visitors. A separate private sitting home completes the setting. All rooms are air-conditioned.
