

Neverland

Dear Parent,

Thank you for choosing "Neverland" - an outbound fun based 'learning by doing' program by Zice Holidays, which searches for the perfect mix of education and recreation through outbound representations, facilitating students to become more balanced and open individuals.

Neverland aims at imparting essential life-skills through experiential learning. These skills help children grow as individuals, work well with others, make logical decisions, develop independence and achieve their goals in life.

Key modules of the program will include guided tours, interaction with scientists, flora fauna observation, village-visits, team games, yoga and pranayam, camping, rock climbing and other adventure activities. Our qualified and experienced instructors supervise these activities. The student to adult ratio will be 4:1

There is a resident doctor on campus with first aid facilities and commonly used medicines and equipment. Hospitals are in the range of 45-90 minutes from the main campus. Over 4000 people have enjoyed our various programs with impeccable safety record.

To make Neverland successful in achieving its objectives towards the development of your child, please help us in ensuring the following things:-

- Ensure that the child does not carry any money/ valuables/mobile phone with him/ her. The contact numbers of team members will be provided to you along with a detailed itinerary, to contact us at any point during the program, if needed.
- Please do not send any food items with the child to the program. Please be assured that the food/water provided to the kids will be hygienic, well balanced, nutritious and delicious.

Travel from Delhi to camp location and back would be by AC Deluxe Coaches. The unforgettable tryst with fun and learning begins from Siri Fort Auditorium, New Delhi. The details and contact numbers would be communicated to you shortly before the program.

Distances from Delhi:

- Mountain Train, Mukteshwar - 345 km
- Camp Mojorn, Dehradun- 265 km
- Whispering Pines, Dhanaulti-290 km
- Sat Tal - 320 km

We appreciate your support and cooperation. Please feel free to contact us in case of any queries/comments at any point or time.
